The path to greater independence

Setting up a Virgin Money Giving page is a great way to collect sponsorship online for whatever fundraising activity you are taking part in

The benefits

- By using Virgin Money Giving, the funds you raise are sent directly to The Rainbow Centre, this **will save you time**
- It's easy to share the link to your page via social media sites, therefore making it **simple for your supporters to sponsor you**
- If you'd like to split your fundraising between charities you can set up one fundraising page that will split the donations equally for you. Note all charities need to be signed up to Virgin Money Giving for this to work
- Virgin Money Giving is a not for profit organisation so **The Rainbow Centre will receive more of your donation** compared to other online fundraising platforms
